

CORPORATE MEMBERSHIP PACKAGES 2020

The corporate members at Centurion Country Club have played an important role in building the membership of our club. The structuring of the corporate package has been successful in providing companies with an exclusive environment where guests and clients are entertained with pride with no hidden costs. We would like to offer your business not only an exclusive environment to entertain your clients/guests, but also a value-add in terms of the service you will receive and possible opportunities for exposure of your business to the right target market.

CENTURION COUNTRY CLUB CORPORATE CHALLENGE

Your company has the opportunity to take part in the annual Centurion Corporate Challenge competing for a trophy. The Corporate Challenge is a networking platform enabling all our corporate members to get to know each other in what they love doing best...playing golf.

The competition is run over a nine-month period, starting February and ending October on the **second Thursday of the month**. The scores of each company 4 x ball is recorded every month and the 5 best scores of the 9-month challenge will determine which companies will make it to the final, which is a 36-hole competition held at an away venue (usually two different courses within around 2 to 3 hour's drive). Each Corporate sends the names of 4 x players, which will be split into 2 x two-balls. Each two-ball will play against another company's two-ball. We have limited time slots available, so it will be based on a first come first serve basis. The competition format is a Better ball Stableford. Club competition fees of the Thursday comp is not included. Only affiliated players may participate. You can invite your staff or customers.

The away final will be for your own account (green fees, carts, catering, accommodation etc.) It's played at an away venue over 36 holes. To qualify to play in the final and to qualify to win the trophy, you must have played at least 2 games during the year.
