

Centurion Country Club Newsletter

January 2021

FROM OUR GENERAL MANAGER

Dear Resident and Member,

I would like to wish all our readers, members, and their families a happy 2021. I that hope we all have an amazing year.

With the President announcing Level 3 regulations, we as the Centurion Country Club management would like to ask that every person entering the club house or playing golf to please follow all COVID-19 protocols and regulations.

I must admit that our golf course is looking great and our staff on the ground are handling all the floods with great success. A huge thank you must be given to Mark and his team. By the end of January 2021, we will get our new Top 100 Course rating.

We will start our hollowtyning on Monday 18 January 2021 at which time the course will be closed for 3 days.

Until next time, keep well and be safe.

Kind regards,

Edwin Nel

On the Course

I would like to take this opportunity to wish all our members and your families a happy and prosperous new year. Once again, the time has flown, and we find ourselves in the second week of 2021 already.

We will begin our hollowtyning next week, 18 – 20 January during which time we will be closed. You are welcome to book from the 21st again. We will also be moving our field back to a 2-tee start.

As we find ourselves in a situation of rising COVID-19 numbers, we are implementing stricter controls once again to protect our valued members, as well as our staff. Please note that the wearing of masks is law as well as using sanitizer and practicing social distancing. For those who have been personally affected by the pandemic, we send our deepest sympathies.

I look forward to seeing as many of you as possible this Saturday, 16 January for Sikkels annual golf day. Due to curfew, I have cancelled the night golf, which will be postponed for later in the year. Please note that prize giving will be conducted virtually via Facebook, and prizes can be collected from the pro-shop at earliest convenience.

Kind regards,

Jannes Sik

FROM THE GREENKEEPER

Dear Residents and Members,

2020 could not lie down and die without giving us one more gift, so she treated us to the worst flood we have had so far this season! It is what it is and the team with the help of the Hennops revival crew jumped in and within 2 days had the majority of the rubbish cleaned up. As mentioned, before we have a few things we would like to implement to reduce the impact of the flooding and the ones that have been completed already have made a difference.

The greens are being hollowtyned in the middle of January along with our annual interseed. This is a recipe we have followed now for a few years and I am loving the results. Please note that to get the best results we can from the interseed it is imperative we keep the seed moist and this means watering them frequently through the day. We apologize for the inconvenience, but it is a necessary evil.

Our other priority is to get the entire No 7 covered as quickly as possible. The sprigs were unfortunately washed away with the flood, but we will continue to do what we can to get the hole back to its former glory.

Kind regards,

Mark van der Linde
