March 2021

## FROM OUR GENERAL MANAGER

Dear Members and Residents

With all that is happening at the Club and on the golf course, we would like to thank all our members for their support and patience.

The men's locker-room upgrade is on track and we cannot wait to see the end product.

We are also busy on the 7th fairway with maintenance to get it back to normal after all the flood damage we had.

We hope to see you all taking part in the Club Champs this year.

Hope you all have a great March.

Kind regards,

*Edwin Nel*

### Par 3 Fun

On Tuesday, 9 February, we hosted a 9-hole **Par 3 Sundowner Competition**. This competition was played over the back 9 and with all the holes setup as Par 3. This was a perfect way to unwind on a Tuesday afternoon.

With 68 players taking on the course, it took no longer than one hour and 30 minutes to complete one round. The entry fee included a mouth-watering burger after the round, which everyone enjoyed on the patio.

The prize-giving took place on our Facebook page. In case you missed it, [click here](#) to see who took home all the prizes.

A special mention must go out to the **van der Walt brothers**, Francois and Wiehan both finished on 9-under for the championship and T9th overall. What a great performance by them.

## Peter Matkovich on-course inspections

On Thursday 5 February, Peter Matkovich came out for a site meeting. It is always great to hear what his view is of the golf course. He is also very impressed to see how the golf course has matured over the years.

As many of you are aware, we are currently battling with the playability of our 7th hole. With him on site, we will hopefully be able to get some sort of solution towards our challenges we have with the 7th hole and the river. As soon as we have more information, we will share this with you.

Kind regards,

*Jannes Sik*

# FROM THE GREENKEEPER

Dear Residents and Members,

To be quite honest February was one of the most challenging months I have ever experienced as a golf course manager. The weather we had during and after hollowtyning was extreme to say the least and the team put in many hours to ensure we came through unscathed.

On the plus side we had brilliant germination after the interseeding and now have thousands of new plants in our greens.

The project at No 7 is coming along nicely even though we have been delayed by the rain a few times which has set us back a week or two. The plan is to have the hole completely playable for the winter. More work is planned for the 16<sup>th</sup>, but this will only commence after the club champs.

Otherwise for now the focus will be to polish the course for the Champs and for the rest of the year. Back to work!

Happy golfing from the team.

Kind regards,

*Mark van der Linde*
