CENTURION COUNTRY CLUB NEWSLETTER

FROM OUR INTERIM GENERAL MANAGER

Hans Jonck

Dear Members & Residents,

Never did I think that I would have the privilege to compose a communication to you as members again. I appreciate the open arms and the warm welcome I have received from the members, staff and patrons.

Thank you to Boet van Staden and Darryll Castle for involving me to play a role as Interim General Manager for the next couple of weeks which entails spending two days per week on-site.

The recruitment process for a permanent replacement will commence this week and we will aim to make an appointment by the end of June.

My involvement with Centurion Country Club will be slightly longer as I will drive the business re-engineering process and will oversee operational controls and efficiencies. This will come together with our team of resources of MyHomeClub.

Thank you to everyone that attended the AGM on the 26th of May 2022 which we can confidently say went off extremely well and with a positive tone. Congratulations to Boet van Staden on being elected as President, and to Wilma de Wet and Per Wanland being elected to serve on the Management Committee. Thank you to Darryll Castle and Morne Oosthuizen who made themselves available as nominees, together with the elected individuals. I sincerely look forward to the future of Centurion Country Club, together with your help and support.

FROM OUR GREENKEEPER

Mark van der Linde

While the weather did have a say in the end we are glad that the members were able to finally play the 2022 Club Champs. I must admit that for us it was a great time of the year to have the event.

I have put together a list of a few projects we would like to tackle now during winter and this will be communicated with the committee for approval. There is nothing too hectic planned but just a few subtle changes to freshen up a few areas.

This is over and above any work that needs to be done on the river.

We are hoping that some significant improvements can still be made this winter.

With the onset of frost I would like to remind members that during very cold spells we actually mow the greens in the evenings the day before in order not to damage the greens. This is something we do every year but we do get enquiries from time to time as to why the greens are not mowed in the morning.

Happy golfing from the team.

WELCOME TO OUR NEW EXECUTIVE CHEF

Christo Hildebrand

I completed my studies in 1992 at the "old" Hotel School (WITS Technikon). I have more than 20 years experience as a Chef, Development Chef and Executive Chef, locally and internationally. I have worked at various establishments over the years which include The Carousel, Protea Hotels etc.

I made a career change and have worked for quite a few years as an Operations Manager at a well known Protea Hotel, but the kitchen will always be my passion. I am married with 2 children and reside in Centurion.

A few cooking tips for this winter.

- When juicing limes or lemons cut the bottom of first so that all the juice runs through the fruit instead of getting trapped in the rind.
- Sprinkle flour on your bacon to reduce grease splatters.
