CENTURION COUNTRY CLUB NEWSLETTER

FROM OUR GENERAL MANAGER

Gavin Woodroffe

Dear Members and Residents,

I have been a part of this incredible community for a week, and the welcoming I have received has been overwhelming, and I thank everyone for making the move a very comfortable one.

Even in a short space of time, the opportunities that our Club has is incredible to see, and I look forward to working with the team, committee, members, and homeowners in creating a club that everyone is proud of.

My first objective is to obtain as much feedback and input as possible to understand the current level of experience of members and homeowners, which will be invaluable in paving the way forward.

During my first week I attended my first Management Committee meeting, and it was very encouraging to see how passionate they all are for Centurion Country Club, and they have been working on some very exciting projects, which will be communicated shortly, and I look forward to working with the committee to serve our members.

I have been briefed on the devastation of the recent floods, and the Hydrology, Golf and Management committees have been working tirelessly with experts to come up with a solution, to manage the water to protect homes and our golf course.

Starting this week, we will begin the first project with a Berm being erected on the right of the 18th fairway and left of the 18th green.

Club Captain Abie Grundlingh has communicated all the info in his email to members.

I look forward to many exciting years ahead and meeting everyone in our great community.

Hole-in-one alert!

Way to go, Tjitjaan Gouws.

On Saturday June 25th, Tjitjaan Gouws managed to hit the perfect golf shot on the difficult 11th hole. She recorded her very first hole-in-one using her driver.

What an incredible achievement!

Centurion CC members shining at GNGU tournaments.

Sunday 26th June, Centurion Country Club host to the Annual Coronation Cup. This trophy dates back to 1938, with the format for the day being a mixed better ball format. Jurie and Veneasa Gouws took full advantage of their local knowledge, and they managed to lift the trophy at the end of the day. Congratulations on this magnificent win!

Keagan Crosbie and Tristan Fichardt too hot to handle!

This past week, Keagan Crosbie took part in the two GNGU Junior events played at Zwartkop CC on Tuesday, 28 June and The Els Club on Thursday, 30 June. Keagan won both of these 36-hole events and was the only junior under par for both of these tournaments.

Also flying the Centurion CC flag high was Tristan Fichardt, who managed to win the B-Division tournament at The Els Club.

Keep up the good work!

Willem winning with the US Open draw.

US Open glory, with Matthew Fitzpatrick clinching his first major title. Willem Cronje was the lucky winner of the Pro Shop draw for the US Open and won himself R4000 worth of Nike clothing.

PGA Ladies Pro-Am.

On Monday July 4th, the PGA of South Africa hosted an all-Ladies Pro-am at The Els Club.

Centurion CC was very well represented and the team of our local Professional Jannes Sik, Wilma de Wet, Joanne Shields and Hannelie Saaiman narrowly missed the prizes by one point. Great fun was had on this day, and it was a great initiative from the PGA of South Africa.

Keagan Crosbie stepping up his game.

On July 11-12, Keagan Crosbie took part in the Nomads Inland NOom2 held at Modderfontein GC. Shooting two rounds of 71, Keagan won his first national title.

Well done on this magnificent achievement. We are super proud.

A few photo's of our beautiful course.

FROM OUR GREENKEEPER

Mark van der Linde

As winter progresses we will continue with the few projects we set ourselves. Ideally we would like to be finished within the first week of August so that we can begin prepping for the spring treatments.

While the greens won't receive too much attention we would like to do verticutting on fairways and semi rough to reduce the thatch that has built up over the past few seasons. This is necessary to ensure healthy and visually satisfying turf, so please be patient and careful with the staff during this time.

If the weather forecasts are to be believed we are in for another very wet summer so it should be interesting.

Happy golfing from the team.

PHELAN GOLF ACADEMY

Kyle Phelan and Marna Coetzee

Let's take about takeaways, no not the juice burger for lunch but the one that matters in a good golf swing.

Your instinct will always be to get the clubs center of mass back to the golf ball.

Outside:

If the club centre of mass is to far outside, it will reroute back underneath its back swing motion (Matthew Wolff). Path in to out and shallow angle of attack.

Inside:

The clubs centre of mass will try get back to the ball by moving over the top. Path out to in and steeper angle of attack.

Remember your takeaway doesn't have to be square it is player dependent. Understand what you are doing and why you are doing it, have a reason. Visit us on the range to help you understand your takeaway, we wont charge extra delivery fees.
